Subject: CDBG Budget Resolution Program Income Fiscal Year 2020-2021

Submitted By: Burnadine Rich

Department: Community Development Services

STAFF RECOMMENDATION (Motion Ready): Adopt Budget Resolution 2021-156 to amend the Fiscal Year 2020-2021 Community Development Block Grant budget by appropriating program income in the amount of \$26,812

OCALA'S RELEVANT STRATEGIC GOALS: Quality of Place

PROOF OF PUBLICATION: N/A

BACKGROUND:

The city regularly receives Community Development Block Grant (CDBG) funds to be used in accordance with the Code of Federal Regulations (CFR), specifically 24 CFR 570. Funds are allocated for various activities including housing rehabilitation on properties owned by low to moderate income persons. Under the city's rehabilitation policy, participating homeowners may be required to sign a mortgage and note for all or a portion of the project costs. Based on the terms of each mortgage and note, funds may be repaid to the city. According to 24 CFR 570.504 these funds are to be treated as program income and must be used on eligible CDBG activities.

FINDINGS AND CONCLUSIONS: The city received \$26,812 in program income from one homeowner who received CDBG rehabilitation assistance. The homeowner found it necessary to sell the home prior to the maturity of the CDBG lien expiration date and was required to repay the balance of the outstanding lien. The \$26,812 will be used for housing rehabilitation assistance for additional low-to-moderate income level homeowners.

FISCAL IMPACT: This CDBG program income in the amount of \$26,812 increases available funding for CDBG eligible activities and will be applied to account number 346-060-644-554-55-34010.
