FOR IMMEDIATE RELEASE

CITY OF OCALA TO HOST SOLID WASTE PROVIDERS FORUM

OCALA, Fla. (April 27, 2022) – The City of Ocala’s Public Works and Growth Management Departments will host a solid waste providers forum Wednesday, May 4, 2 to 4 p.m. at the MLK First Responders Campus Community Building, 615 NW MLK, Jr. Ave.

This free event is an opportunity for members of the solid waste community to connect with city officials regarding solid waste facilities and alternatives within the city limits. Business professionals are encouraged to attend to provide input. The information discussed will be used to update ordinances reflective of current and future conditions surrounding waste management practices. The general public is welcome to attend.

For more information, please contact the City of Ocala Growth Management Department at 352-629-8287 or Public Works Division at 352-351-6697.
